EXPERIENCE

Meat Packer Jul 2022 - Present
Jewel Osco, LaGrange Park, IL

With the meat role, I had coworkers from all walks of life. The entire time I was there, I never saw an issue with that from any coworker which furthered my understanding of people from other cultures than me.

Nutrition Specialist Mar 2020 - Aug 2021
Bethlehem Woods Retirement Community, LaGrange park, IL

In this job, I also had coworkers from all walks of life, but I also had to serve a completely different demographic. I know what the older population wants to hear and as a part of gen z, I know what the younger population wants to see.

VOLUNTEER

Vice President of Philanthropy and Service Jan 2023 - Present
Interfraternity Council

My job as the Vice President of philanthropy and service tasks me with keeping track of service hours for all the fraternities on campus, maintaining a calendar of all philanthropic events, as well as work with other on campus organizations to fundraise for a charity of our choice.

Philanthropy Chair Aug 2022 - Jan 2023
Sigma Chi

As philanthropy chair, I was tasked with putting together events in support of Huntsman Cancer Foundation which allocates money for cancer research. Between 15 people, we ended up raising over \$5,000 which is the most we had raised in the past few years.
